
**Graduate engineer with 1 year professional experience interested in the field of
-Business Intelligence -Data Warehouse –Web development -Data Mining**

EDUCATION

2012 - 2015	University of Technology of Compiègne (Master degree) Specializing in Data Mining	Compiègne, FRANCE
2009 - 2012	University of Shanghai (Bachelor degree) Specializing in Computer Science	Shanghai, CHINA

WORK EXPERIENCE

09 / 2014- 03 / 2015	Internship of Log Mining <i>Objective : Transforming the log file data to a database and preparing reports for log analysis</i> -Modelling on the different types of log files -Creating Scripts to parse / segment the log file -Managing the ETL process on log file data -Preparing reports on the normalized database (SQL Server) using BIRT for OLAP analysis	Amadeus, Sophia FRANCE Dpt of R&D 6 months ETL, J2EE, BI
02 / 2013- 07 / 2013	Internship of Business Intelligence <i>Objective:</i> Migration and development of a strategic application which is used to create Weekly Business Plan -Analysing the existing calculation rules in Cognos TM1, finding errors ,providing solutions -Developing the platform for weekly dashboard -Managing administrative task of Cognos TM1, User Support	Faurecia, Nanterre FRANCE Dpt of Finance 6 months Cognos TM1, VBA
03 / 2012- 08 / 2012	Shanghai Undergraduate Technological Innovation Project <i>Objective : To create an interface and database for a prototype machine that manages the Compact Disc in the library of SHU</i> -Using C# to create UI to connect the database and order the slave computer to perform required actions -Using UML to model rational database	SHU, Shanghai CHINA Lab. de SHU 5 months C#, SQL SERVER

AMADEUS

faurecia

SKILLS

Programming	JAVA, C++, C, VBA, PHP, HTML, VHDL, R, Scilab, Python
OS	Windows, Linux(Shell)
Data base	Oracle, Postgresql, ETL Modeling, Access, UML Modeling, PL/SQL, Data Warehouse
Languages	Chinois (Mother Tongue), Français (fluent), Anglais (fluent)

SOCIAL EXPERIENCES

2010-2011	Vice President of Students Union of UTSEUS -Organization of the welcoming festival for fresh students -Coordination of different sectors and team management
05 / 2011	Volunteer of EXPO, 2010, Shanghai
